

WINTER MINI CATALOG

DECEMBER 1, 2006-FEBRUARY 28, 2007

Dear Friends:

Aren't the sets featured in this mini catalog amazing? I always have several favorites in every catalog, but so many sets caught my eye this time! I love the Small Sayings set. It captures wonderful sentiments that can be used for so many occasions. In fact, the day before I saw this set, I had actually written "Thanks for making me smile!" in a message I'd sent to a friend. If I had had this set, I could have used the stamp instead.

And I can't wait to use Love Matters. I leave notes on my husband's pillow when I travel and in his overnight bag when he travels, and I'm certain this set will be the main attraction on many of those notes!

My favorite, though, has to be Carte Postale. It's a beautiful set by itself, but add the coordinating background stamp, Stampin' Around® wheel, and Designer Series paper, and there's nothing we can't do! Happy stamping!
