Director of Student Support Services

April 16, 2021

Dear Parents/Guardians,

Below is important information regarding New York State Department of Health guidance documents and information regarding an upcoming COVID-19 vaccination clinic:

- On April 9th, the New York State Department of Health issued updated guidance related to PK-12 in-person instruction. Over the next couple of weeks we will make some adjustments to our in-person program, so as to be in compliance with this new guidance document. These adjustments should not diminish our ability to provide full-time in-person instruction for our students. Here is a link to this guidance document: [PK-12 Guidance](#).
- On April 12th, the New York State Department of Health (NYS DOH) issued updated guidance related to year-end school celebrations. These events include such things as our annual Graduation Ceremony, Junior/Senior Prom, 6th Grade Moving-up Ceremony, and our annual Flag Day Celebration. Here is a link to this guidance document: [Year-End Celebrations](#).
- We are in the process of planning our year-end celebrations. Questions regarding specific year-end celebrations should be directed to the appropriate building principal. For Elementary School events please contact Mr. Kupiec (315-696-6213). For Junior/Senior High School events please contact Mrs. Murphy (315-696-6235).
- There will be a COVID-19 Vaccination Clinic on Wednesday, April 21st, from 10am-1pm, at LaFayette High School. This clinic will be run by Onondaga County, and will be open to the following people from Tully CSD, Fabius-Pompey CSD, Onondaga CSD, and LaFayette CSD:
 - Any student over the age of 16.
 - Parents of any student over the age of 16.
 - All faculty and staff.

Additional specific information, including a registration link, will be sent to the Tully families who have children over the age of 16, and to Tully faculty and staff.

Have a safe and enjoyable weekend.

Sincerely,

Robert J. Hughes

Robert J. Hughes
Superintendent of Schools
