July 17, 2020

Dear Parents/Guardians,

Below is an update regarding our Tully Schools 2020-21 Reopening Plan:

- A parent survey is now available. The purpose of this survey is to assess parental preferences for in-person-vs-remote schooling, and to assess parental ability to provide transportation for their children during the 2020-21 school year. This survey is posted to the Announcements Section of the District Homepage, and has been emailed to parents.
- The NYS Department of Health and the NYS Education Department issued school reopening guidance documents this week. These guidance documents are currently posted in the Announcements Section of the District Homepage.
- At this time all school districts are expected to submit reopening plans to NYS by Friday, July 31<sup>st</sup>.
- Our Reopening Subcommittees will continue to meet over the next two weeks to assist with the development of our 2020-21 Reopening Plan.
- Our Reopening Steering Committee will meet next week to review progress to date on our Reopening Plan.
- There will be a special Board of Education meeting on Monday, July 27<sup>th</sup>, so that the Board of Education may discuss progress to date on our Reopening Plan. This Board meeting will be live streamed via a link on the District Homepage.
- The start date for fall sports has been delayed until at least Monday, September 21<sup>st</sup>. Please disregard the fall sports dates that will appear in the next issue of the *Knight Insight*.

Additional information regarding our Reopening Plan will be forthcoming. Stay safe and healthy.

Sincerely,

*Robert J. Hughes*

Robert J. Hughes  
Superintendent of Schools
