Good Afternoon 8th grade parents. This is JSHS principal Mary Ann Murphy calling to let you know that our 8th grade only will pivot to remote learning for Thursday and Friday, Feb 4th and 5th. The reason for this is that we have two students who tested positive for COVID that has resulted in quarantining all of the core area teachers and several others. Those teachers will teach from home. Unfortunately, this also means that 8th graders that are currently quarantined may not participate in asymptomatic testing on Friday. Please check your email for similar information.
