If you answered "all remote learning" to the questions above, would you still select the remote option if the program required you to commit for t...on based on the information you have at this time.

231 responses

For in-person instruction, will you be able to transport your child to/from school? (I understand drop off and pick up times may be staggered to meet social distancing guidelines.)

652 responses

If my child participates in all or some remote learning, I will require meals to be provided by the school when my child is learning from home.
