

Smart Schools Bond - Final Spending Plan

The Tully School District Board of Education has approved the district's Facilities Committee proposal on February 13, 2017 for enhanced district security and surveillance. The funding for the project will be provided from the Smart Schools Bond grant.

The proposed spending plan, outlined below, will be utilized to upgrade and expand our wireless infrastructure, as well as purchase the required hardware, software and training for staff use.

Building	Costs
Junior Senior High School	\$62,374.00
Elementary School	\$59,863.00
Total:	\$122,237.00

If you have any comments on this plan, please contact Brad Corbin
