

8th Grade Supply List 2019-2020

Dear parents of future eighth grade students,

As the new school year approaches, the team of eighth grade teachers would like to make you aware of the class supplies that are required for your student. Below is a detailed list of the supplies needed for your child's classes; please notice that all courses are listed, but your child only needs the supplies for classes in which he/she is enrolled. **These supplies need to be in class by the end of the first week of school.** We encourage your student to begin the year prepared and organized. **Please be aware that on the first day of classes, your child will receive an agenda planner in homeroom.**

Thank you! Enjoy your summer!
