Tully FFA Named 2019 NYS Chapter of the Year

Tully FFA participated in the 94th New York FFA State Convention with great success. The 29 students attended educational workshops, participated in service projects, and competed in a variety of career development events. At the end of the convention, six seniors were awarded their Empire Degree. This degree is the highest a student can receive in New York. In order to be eligible, students have to work 300 hours, earn $1,000 (or complete a combination of both) outside of school while enrolled in agriculture education and FFA. Congratulations to Sydney Grosso, Dalton Currie, William Lake, Kayla Barry, Garrett Pierpoint, and Meghan Weaver for earning this degree.

The Tully FFA Chapter earned a Gold Ranking National Superior Chapter Award by coming in 2nd place in Growing Leaders, 2nd place in Strengthening Agriculture, and 1st in Building Communities. Winning so many awards led the Tully FFA Chapter to be named the 2019 New York State FFA Chapter of the Year! The chapter will have the honor of representing the state in the New York booth at the convention.

Tully’s Chapter was recognized at the Onondaga County Legislature meeting on June 4th.

Students and Families New to the Tully School District – ORIENTATION – August 29, 2019

Elementary New Student Orientation at 10:00 a.m. • Lunch for families Elem/JSHS at 12:00 p.m.
Junior/Senior High School New Student Orientation at 1:00 p.m.

**Medications**

Students are not allowed to have medications on their persons at school. The only exception is that students are allowed to carry emergency medications or medications which require rapid administration to prevent negative health outcomes. In addition to inhalers, students may also carry Epi Pens, Glucagon, or even at the high school level medication to treat a migraine. To do so students must have written permission from a parent/guardian, and a written provider order stating both the diagnosis and that the student can effectively administer the medication(s). The medication must also be in the original container and must be delivered to the school nurse’s office by a parent or guardian.

**Physicals**

The New York State Department of Education requires a health certificate or health appraisal of each public school student when they enter the school district for the first time, are in Grades Pre-K or K, 1, 3, 5, 7, 9 and 11, participate in interscholastic sports, need working papers, or are referred to the Committee of Special Education.

All students participating in interscholastic sports programs, regardless of grade level, must have a physical exam before participating in any sport practice. These physicals need to be turned into the school nurse prior to the start of practice. If your child intends to play a sport, it is important that they check with the school nurse before practice to verify they have a current sports physical on file.

Physicals expire one year from the month they were performed, on the last day of the month.

**Immunizations**

Vaccinations due between 6th and 12th grade are as follows:

- Students entering 6th grade or by 11 years of age must have the Tetanus, Diphtheria toxoid-containing vaccine, and Pertussis vaccine booster (Tdap) and 2 doses of the Varicella (Chickenpox) vaccine.
- Students entering 7th are required to have one dose of the Meningococcal conjugate (MenACWY).
- Students entering 12th grade are required to have 2 doses of the Meningococcal conjugate (MenACWY) or 1 dose if the first dose was received at age 16 or older.
ES Principal’s Message

Welcome to the 2019-2020 school year! A second summer of construction has brought a few additional changes to the Tully Elementary School campus. Most improvements are behind the scenes, with the 1930 section receiving the same HVAC upgrade that the rest of the building experienced last summer, and the installation of a new fire alarm system throughout the entire school. The most noticeable change is that the wooden playground was removed and a new play structure was installed. Although we will miss the original playground, we are excited for the new memories that will be created on the new equipment. A new blacktop surface was also constructed on the playground which will provide opportunities for basketball, hopscotch, and four-square during recess. On the technology front, we have expanded our 1:1 Chromebook program to 1st and 2nd grade; we are now 1:1 in grades 1-6. Our Pre-K and K students also have regular access to touchscreen devices as appropriate to their instruction. Teachers are excited to implement the curriculum work that they engaged in over the summer and continue the momentum from last school year. Be sure to mark your calendars for Thursday, September 19th. This is the date of our annual Back to School Night. More information will be sent home in student backpacks. I look forward to seeing you as well as throughout the year. Please do not hesitate to reach out to your child(ren)’s teachers or me with any questions. To keep up-to-date on school events and news, please check out the school website as well as my Twitter feed @ekupiecTullyES.

Thank You from the Tully Elementary School PTO

We hope that each of you had a wonderful summer vacation. As we find ourselves at the beginning of another school year, we reflect back on some of the wonderful things the TES PTO did during the 2018-2019 school year. As all are aware, we held a number of fundraisers throughout the year. In doing so, we were able to fund many different activities, group events, and projects throughout the school year. Here is where the funding went: Positivity Project t-shirts (school wide), field trips, teacher and TA allotments, 6th grade graduation DJ and lifeguard, school supplies (laminating materials), (2) senior scholarships for graduating seniors at the high school, Lego League, Teacher Appreciation week (snacks), District Appreciation (drivers, administrators, custodian gifts), Board of Education (appreciation gifts), Maker Lab, Box Top challenge (ice cream party- 4th grade; popsicles- 2nd grade), book fair (books for new teacher’s classrooms, books to each teacher, student books & other item) giveaways, Summer Reading Challenge books, Flag Day (bounce house, lunch, and popsicles), monthly popcorn (students & faculty), and author visit (bi-annual).

As you can see, we fund a number of different items and had a very busy school year. We would like to thank each and every one of the parents who have offered their time to help us with the many things we do. Whether you donated items, planned for events with us, or volunteered your time, we could not do all that we do without your help and we very much appreciate your assistance.

Looking forward we are hoping to do one big fundraiser this fall, versus several throughout the year. Our hope is that a Jog-a-thon will work out so well that we will not need as many fundraisers. That said, we often rely on the same people whenever we have PTO related events. Our current group of volunteers is a great mix of motivated parents, but we are in need of fresh faces to make each year more successful than the last. We invite you to become a part of the PTO team so that we can be even better for the 2019-2020 school year. Not sure how to get involved? Join the Tully Elementary PTO group (on Facebook) to learn about upcoming events and information related to the school. Also, we invite you to attend the PTO meetings which are held the 2nd Wednesday of each month throughout the school year. Our first meeting of the school year will be September 11, 2019.

We are also a 501(c)(3) organization, and gladly accept tax-exempt donations. Please inquire if you wish to make a donation.

Positivity Project

Tully Central School is proud to continue as a partner school for the Positivity Project (P2) in 2019-2020! Each building will spend the year focusing on 24 character strengths, a common vocabulary, and the philosophy that other people matter. We will also have school-wide assemblies and programs throughout the year in support of this program. The principals will present more on P2 at Back to School Night and information will be sent home every 1-2 weeks to TES families about each character strength via School Messenger so that you can be a part of P2 as a family.

Academic Intervention Services

Academic Intervention Services (AIS) are available in English language arts (ELA) and math as mandated by New York State. Tully Elementary School provides services for students in kindergarten through sixth grade.

Mrs. Russell and Mrs. Vassallo provide reading instruction. Mrs. Leuze and Mrs. Hardy provide math instruction. They work with specific students who require additional support to meet grade level skills and expectations, as determined by state assessment scores, screening tools, and/or teacher recommendation. This instruction is provided on a regular basis and an instructional plan is designed to meet their needs. Parents/guardians receive notification when their children need such a plan.

Additionally, teaching assignments may take these teachers into classrooms as they often work with classroom teachers to provide optimal instruction for all students.

JSHS Principal’s Message

Welcome back! I am always thrilled about the freshness of a new school year. There is so much excitement when the students and teachers re-enter the hallways with enthusiastic expectations and refreshed brains ready for learning. Many staff members spent many hours over the summer preparing to teach new courses and enhancing their use of technology in the classroom. Several staff members focused their summer time infusing our rollout of the Positivity Project with some new ideas that will allow our school community to understand and appreciate everyone’s unique strengths and character traits.

In order to start the year off on a positive note, families can work together to ensure there is a great start to the school year for everyone. Here are a few tips, in no particular order:

**Re-establish nightly routines:** Late summer nights can wreak havoc on sleep schedules of adolescents, so it is important to work at keeping a relatively normal nightly routine. Adolescents’ brains are wired for staying up later. Parents may need to intervene to make sure their children don’t stay up too late, making it difficult to wake up in the morning, so they are ready to learn.

**Maintain a structured work space:** Create a place and time for homework completion and studying. An expected routine in an organized space will turn into a good habit for students in the long run.

**Use a family calendar:** A family calendar where everyone writes down their important dates can provide structure and prevent unexpected, stressful preparations. It helps students manage tasks when they can see long range expectations instead of going day-by-day. Students are given planners for assisting with keeping track of their assignments. It is highly recommended that students take advantage of the planners. Please mark your family calendar for Curriculum Night being held on Thursday, September 12th.

**Encourage participation in school-sponsored extracurricular activities:** Students are more connected to school when they are part of a club or team. They learn to interact with staff and other students in a different, yet structured setting other than a classroom. For a small school, we have a lot to offer!

**Communicate with school:** When discussing happenings at school, parents should guide their adolescents to sort out matters on their own and should only intervene when students feel like they have exhausted their options for a positive resolution. Listen to your child and guide him or her to develop a course of action. This will help students learn to advocate for themselves. Parents are always welcome to call a teacher, counselor, or administrator to assist in any manner.

**Use Activity Period:** It’s never too late to get into the habit of using Activity Period for extra attention to studying, getting help, completing homework, finishing assignments, etc. Students who effectively use Activity Period for these reasons report better understanding of the course material and improved grades. Teachers are available every day except Tuesdays.

Mr. Schiener and I wish everyone well as we embark upon a new school year!

Mary Ann Murphy

Junior High International Club

The JH International Club had a great 2018-2019 school year! Officers Everett Chambala, Golden Ives, Matt Congelli, Katie Edinger, Heidi Becken, and Adrienne Edinger hosted 5 dynamic guest speakers for the 7th and 8th graders. The cookie dough fundraiser was held in September and the club traveled to Quebec, Canada over Martin Luther King weekend in January. Officers voted to send a $100 donation to Water for South Sudan in support of the fundraiser set up by Mrs. Sterritt’s 7th grade English class. Many thanks to Mrs. Sterritt for her hard work at the Craft Show, which in turn, supports the Spring Event. JH International Club members assisted with the planning of the activities and food for the night of fun with our junior high classmates. Great job everyone!

7th Grade Orientation is August 29 at 6 p.m.

We will be hosting our annual Seventh Grade Orientation on August 29th at 6 p.m. This is a great opportunity for students and parents to learn about the 7th grade program, tour the building, have questions answered, and have fun. Students will have the opportunity to follow their schedule during orientation, giving them the opportunity to locate each of their classrooms. Students also may bring in their school supplies and place those in their lockers.

Please contact Jennifer Newton with questions at jnewton@tullyschools.org.

On the Campaign Trail

In May, students from the Classes of 2020-2023 participated in Senior High Student Council elections. Students were responsible for writing and delivering a campaign speech during lunches as well as creating campaign posters that were displayed throughout the entire high school. Faculty and staff voted for their favorite saying. This year’s winners were: 3rd place tie: “Horton votes for who?” by Lizzie Caron and “Your mind voting...” by Robyn Drzewicki. 2nd place: “You’ve Guac to be kidding me,” by Makahla Battle. 1st place: “Take a chance on me,” by Katelyn Lamoureux – the poster even played the song! There were many creative posters and it was hard for faculty and staff to choose just one! Congratulations to all the candidates on a great campaign season.

Transportation Safety Requests

Please help us ensure your child’s safety by following these simple but important procedures:

- Provide your child with a backpack or book-bag. Loose papers or other items are dangerous as children get off the bus.
- Check your children’s clothing for the presence of long drawstrings or other dangling items as they could become snagged in the bus door as the child gets off the bus, and should be removed from clothing.
- Make sure your child arrives at the designated bus stop five minutes early each day. Children who are late for the bus may panic and chase it, or run into the road.
- Insist that your child wait for the bus safely in an orderly fashion, back from the roadway at least 15 feet. Behavior problems at the bus stop can create hazardous conditions for children.
- When the bus arrives, your child should wait for the bus driver’s signal before boarding. Children should board in single file.
- Teach your child to sit quietly on the ride to and from school. Behavior problems could distract the bus driver and result in an accident.

It is important that our drivers are able to concentrate on driving the route safely. We are deeply committed to the safety of your child as well as all our community’s children.

New York State law requires motorists to stop for school buses that are receiving or discharging passengers. The driver of the vehicle must stop when they encounter a school bus in the process of loading or unloading students:

- on a public highway
- on multiple lane roads
- on opposite sides of divided highways
- on a public street
- on a private road
- in a parking lot
- on school property

The driver of the vehicle must stop from either direction. The driver must also stop if the school bus has another bus in front of it to receive or discharge passengers.

Tips for sharing the road with school buses:

- Remember buses make frequent stops. Be prepared to stop for them.
- Never pass a stopped school bus with its red lights flashing on the right or left.
- Watch for children who cross in front of the bus when the bus is stopped.
- Look for children at bus stops and those running to bus stops.
- By law, school buses are required to stop at railroad crossings.

Professional Qualifications

Parents may request information about the professional qualifications of their student’s classroom teachers. The District will provide in a timely manner upon request the following information to parents:

1. Whether the student’s teacher has met New York State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the student’s teacher is teaching under emergency or other provisional status through which the New York State qualification or licensing criteria have been waived;
3. Whether the student’s teacher is teaching in the field of discipline of certification of the teacher;
4. Whether the student is provided services by any instructional aides or similar paraprofessionals and, if so, their qualifications.

In addition, the District will provide to parents timely notice that their student has been assigned or has been taught for four or more consecutive weeks by a teacher who does not meet applicable New York State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.
From the Superintendent

This September we are welcoming a number of new students at both of our schools. Some of these students are our new pre-kindergarteners and kindergarteners, who will be able to visit their classrooms and meet their teachers at the end of August. Others are students who have moved into the community over the summer. Many of these students will attend our new student orientation. Additionally, we have a new cohort of 7th grade students starting at the Junior/Senior High School. Many of these students will attend our 7th grade orientation, where they will have the opportunity to walk through their schedules, and to become more familiar with the Junior/Senior High School.

We are also welcoming several new faculty and staff members to our school community this year. Our new teachers will be in the buildings at the end of August for our new teacher orientation. I would like to extend a warm welcome to all of our new students, faculty, and staff.

This past summer we made excellent progress on our 2018 Capital Project. We anticipate substantial completion of this project by August 31st, with punch list items completed by October 31st. The overall impact of this project will be a safer and more comfortable learning environment for our students. I would like to say thank you to all those who worked hard to make this Capital Project possible. This includes current and former Board of Education members, the Tully faculty, staff and administration, members of our architectural and construction management teams, the contractors doing the work, and most importantly the Tully Community. Without community support, this project would not have been possible.

I am looking forward to the upcoming 2019-20 school year, and to the return of our students on September 5th. As always, feel free to contact me with any questions or concerns.

Children need healthy meals to learn. Tully CSD offers healthy meals every school day. Breakfast costs $1.45; lunch costs PK-6 $2.85, 7-12 $3.00. Your children may qualify for free meals or for reduced price meals. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.

1. **DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD?** No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to your student’s school.

2. **WHO CAN GET FREE MEALS?** All children in households receiving benefits from SNAP, the Food Distribution Program on Indian Reservations or TANF, can get free meals regardless of your income. Categorical eligibility for free meal benefits is extended to all children in a household when the application lists an Assistance Program’s case number for any household member. Also, your children can get free meals if your household’s gross income is within the free limits on the Federal Income Eligibility Guidelines. Households with children who are categorically eligible through an Other Source Categorically Eligible designation, as defined by law, may be eligible for free benefits and should contact the SFA for assistance in receiving benefits.

3. **CAN FOSTER CHILDREN GET FREE MEALS?** Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Foster children may also be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced price meal benefits, an eligible foster child will still receive free benefits.

4. **CAN HOMELESS, RUNAWAY, AND MIGRANT CHILDREN GET FREE MEALS?** Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven’t been told your children will get free meals, please call or e-mail Paul Scheiner to see if they qualify.

5. **WHO CAN GET REDUCED PRICE MEALS?** Your children may be approved as reduced price eligible if your household income is within the reduced-price limits on the Federal Eligibility Income Chart, shown on this letter. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.

6. **SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE APPROVED FOR FREE MEALS?** Please read the letter you got carefully and follow the instructions. Call the school at (315)696-6230 if you have questions.

7. **MY CHILD’S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE?** Yes. Your child’s application is only good for that school year and for up to the first 30 operating days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

8. **I GET WIC. CAN MY CHILD(REN) GET FREE MEALS?** Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out a FREE/REDUCED PRICE MEAL application.

9. **WILL THE INFORMATION I GIVE BE CHECKED?** Yes and we may also ask you to send written proof.

10. **IF I DON’T QUALIFY NOW, MAY I APPLY LATER?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.

11. **WHAT IF I DISAGREE WITH THE SCHOOL’S DECISION ABOUT MY APPLICATION?** You should talk to school officials. You also may ask for a hearing by calling or writing to: Brad Corbin, bcorbin@tullyschools.org, (315)696-6206.

12. **MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN?** Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.

13. **WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.

14. **WHAT IF MY INCOME IS NOT ALWAYS THE SAME?** List the amount that you normally receive. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

15. **WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME?** If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

16. **MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME?** No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn’t received before she was deployed, combat pay is not counted as income. Contact your school for more information.

17. **MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR?** To find out how to apply for SNAP or other assistance benefits, contact your local assistance office or call 1-800-342-3009.

APPLICATION INSTRUCTIONS

To apply for free and reduced price meals, complete only one application for your household using the instructions below. Sign the application and return the application to Food Service.

If you have a foster child in your household, you may include them on your application. A separate application is not needed. Call the school if you need help: (315)696-6230. Ensure that all information is provided. Failure to do so may result in denial of benefits for your child or unnecessary delay in approving your application.

PART 1 ALL HOUSEHOLDS MUST COMPLETE STUDENT INFORMATION. DO NOT FILL OUT MORE THAN ONE APPLICATION FOR YOUR HOUSEHOLD.

(1) Print the names of the children, including foster children, for whom you are applying on one application.
(2) List their grade and school.
(3) Check the box to indicate a foster child living in your household, or if you believe any child meets the description for homeless, migrant, runaway (a school staff will confirm this eligibility).

PART 2 HOUSEHOLDS GETTING SNAP, TANF OR FDPIR SHOULD COMPLETE PART 2 AND SIGN PART 4.

(1) List a current SNAP, TANF or FDPIR (Food Distribution Program on Indian Reservations) case number of anyone living in your household.
(2) An adult household member must sign the application in PART 4. SKIP PART 3. Do not list names of household members or income if you list a SNAP case number, TANF or FDPIR number.

PART 3 ALL OTHER HOUSEHOLDS MUST COMPLETE THESE PARTS AND ALL OF PART 4.

(1) Write the names of everyone in your household, whether or not they get income. Include yourself, the children you are applying for, all other children, your spouse, grandparents, and other related and unrelated people in your household. Use another piece of paper if you need more space.
(2) Write the amount of current income each household member receives, before taxes or anything else is taken out, and indicate where it came from, such as earnings, welfare, pensions and other income. If the current income was more or less than usual, write that person’s usual income. Specify how often this income amount is received: weekly, every other week (bi-weekly), 2 x per month, monthly. If no income, check the box. The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care and Development Block Grant, TANF and At Risk Child Care Programs should not be considered as income for this program.
(3) Enter the total number of household members in the box provided. This number should include all adults and children in the household and should reflect the members listed in PART 1 and PART 3.
(4) The application must include the last four digits only of the social security number of the adult who signs PART 4 if Part 3 is completed. If the adult does not have a social security number, check the box. If you listed a SNAP, TANF or FDPIR number, a social security number is not needed.
(5) An adult household member must sign the application in PART 4.

OTHER BENEFITS: Your child may be eligible for benefits such as Medicaid or Children’s Health Insurance Program (CHIP). To determine if your child is eligible, program officials need information from your free and reduced price meal application. Your written consent is required before any information may be released. Please refer to the attached parent Disclosure Letter and Consent Statement for information about other benefits.

USE OF INFORMATION STATEMENT

Use of Information Statement: The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not submit all needed information, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the primary wage earner or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs.

We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
