

Tully CSD Arrival Plan - Start of 2020 School Year

Anticipating the challenges of an increased number of parents dropping their children off at school in the morning, as well as an increase in student drivers, we developed a temporary traffic arrival plan to start the new school year.

We are asking parents, staff, and students for their help to make this plan successful. The information shared in this plan includes arrival times for students, traffic flow routes, and entrance points for each building.

Parents, please plan on dropping your children off between 7:30-7:45. The parent drop off area is located by the elementary school where busses normally load and dismiss students. Both buildings will have designated staff scheduled for supervision of students arriving during this time.

Junior Senior High School

Students in grades 7-12 that are dropped off between 7:30-7:45 must walk to the JSHS and enter through the main entrance.

Student Drivers enter from route 80 before 7:45 and enter through the Athletic Wing entrance.

Busses will begin unloading at 7:45 outside the JSHS Main Entrance.

- Students in grades 7 & 8 (walkers included) will enter through the doors to the right of the Main Entrance.
- Students in grades 9,10,11 & 12 (walkers included) will enter through the Main Entrance.

Elementary School

Elementary students arriving by parents should enter at the lobby entrance and proceed to the cafeteria or main gym to wait in a socially distanced manner until they can go to their classrooms at 7:45.

Walkers may arrive any time after 7:30 and will enter through the lobby entrance on the State Street side of the school and proceed either to their classroom or the cafeteria or main gym depending on arrival time.

Busses will begin unloading at 7:45 in front of the “Preble Wing” entrance.

- Students in grades Pre-K, K, and 1 will enter through the Breezeway entrance.
- Students in grades 2 & 5 will enter through the “Preble Wing” entrance (closest to the track).
- Students in grades 3, 4, & 6 will enter through the main lobby entrance.

Below is a map with bus and parent routes as well as more information related to arrival traffic flow. Please review, and as always, thank you for your support and understanding through these challenging times.
