Dear Parent(s)/Guardian(s):

This morning one of our primary grade students (PK-2) brought a .22 caliber bullet to school for show and tell. While walking from the bus to the school, he accidentally dropped this bullet on the sidewalk. A parent later found the bullet and brought it to the ES main office. After reviewing video, we were able to identify the student and confirm that this was in fact where the bullet came from. The NYS Troopers assisted with investigating this situation, and determined there was no danger to the school community. The situation was addressed as a violation of the District's Code of Conduct and the parents of those involved were also notified.

Please do not hesitate to contact me with any questions or concerns,

Sincerely,

Ed Kupiec
Elementary School Principal
