Dear Tully Community Members,

The purpose of this letter is to provide some general information regarding school operations while our school is closed due to this ongoing public health emergency. Please note the following important points:

- School Offices will be open weekdays from 7:30 a.m.-3:00 p.m.
- If you need to visit one of our schools, please set up an appointment by contacting either the Elementary School Office at 315-696-6212 or the JSHS Office at 315-696-6235.
- Most school employees will be working from home.
- Some school employees will be working on campus. This includes some administrators, some maintenance/custodial staff, some transportation staff, some kitchen staff, and some clerical support staff.
- Our school campus will be closed during this public health emergency. We ask that students, parents, and community members please respect this.
- Our school counselors, social worker, and school psychologist are available for students and families who may need additional support during this difficult time. Please contact either school for additional information.

We find ourselves in an unprecedented situation, with very few guidelines to follow. As we work through this situation, it is important that we are patient, kind, and look out for each other.

Sincerely,

Robert J. Hughes
Superintendent of Schools
