Dear Tully JSHS Families,

I am writing to let you know that we have postponed NYS English Language Arts testing for Grades 7 & 8. As you may have read in the media, numerous districts across the state experienced connectivity issues today that prevented students from either being able to begin their computer-based testing or submit their tests upon completion. Luckily for us, our students were not scheduled to begin testing until tomorrow, so we did not experience those issues.

Based on guidance from the New York State Education Department, we made the decision to postpone testing until the issues are resolved. We plan to move our testing blocks to Thursday and Friday this week. In the event that the issues are not resolved, there is still plenty of time to administer the assessments as the testing window runs until Friday, April 12th. We will continue to monitor this situation and update parents if further changes in the testing dates are necessary.

Thank you in advance for your patience and understanding. Please contact Mr. Schiener or me should have any questions or concerns.

Sincerely,

Mary Ann Murphy
JSHS Principal
