Director of Student Support Services

June 7, 2019

Dear Parents/Guardians,

I am writing to provide you with an update on our current Capital Project. Below is information regarding work we anticipate completing over the next three weeks.

Regarding ongoing construction, over the next three weeks we anticipate that contractors will:

- Complete the instillation of a new bus lift in the High School Bus Garage.
- Complete the demolition and removal of the old heating system in the Elementary School.

Please note that none of this construction work will occur in areas that are accessible to students. Also, please note that the Business/District Offices will be relocating effective July 3, 2019. During the course of the summer, these offices will be temporarily re-located to elementary classrooms, overlooking the football field.

If you have any questions or concerns regarding our ongoing Capital Project, or the safety of our students during this Capital Project, please feel free to contact either of our building principals, or me.

Sincerely,

Robert J. Hughes
Superintendent of Schools
