April 19, 2021

Dear Tully JSJS Parents/Guardians of 7th graders,

As of today, Monday, April 19th, the majority of our 7th graders have been placed in quarantine. Some were placed late last week and others were placed today. Due to the large number, we will pivot to remote learning, for our 7th graders only, for the remainder of this week. 7th graders will return to in-person instruction on Monday, April 26th.

Teachers will send links to Google Meets for all students to log in remotely for classes this week.

If your child is NOT quarantined, you will receive a call tonight from Mr. Schiener or me. If your child is quarantined, you will receive a call tomorrow and a follow up letter. Remote learners are not quarantined.

Thank you,

Mary Ann Murphy  
JSJS Principal
