Dear Parents/Guardians,

Below is an update regarding our Tully CSD 2020-21 Reopening Plan:

- A revised 2020-21 Tully School Calendar is posted to the Announcements Section of the District Homepage. For your convenience here is a link to this revised calendar: [Calendar](#).
- Please note the following regarding the first week of the 2020-21 school year:
 - September 8th & 9th will be Superintendent Conference Days
 - September 10th will be the first day of school for students in grades PK-2 & 7-12 Cohort 1
 - September 11th will be the first day of school for students in grades 3-6 and 7-12 Cohort 2
- Yesterday Governor Cuomo gave the green light for some fall sports to begin on September 21st. Our Athletics Reopening Subcommittee will resume the planning process to allow for this to happen. Our challenge will be figuring out how to provide safe athletic opportunities for our students.
- Onondaga County will set up a mobile COVID-19 testing site on our school campus later this week. The purpose of this testing site is to allow members of our faculty and staff to be tested for COVID-19 prior to the start of the school year.

Thank you to all who have been working hard this summer to ensure that we will be able to reopen our schools safely this fall.

Sincerely,
Robert J. Hughes
