

## Community Relations

**SUBJECT: BOOSTER CLUBS**

Booster clubs or other related organizations may be created to promote community support and to raise funds for specific school activities or programs. These groups must receive official Board approval and may not discriminate on the basis of sex, sexual orientation, color, national origin, ethnic background, disability, religion or any other arbitrary criteria.

The District has a responsibility under Title IX to ensure that boys' and girls' programs are provided with equivalent benefits, treatment, services, and opportunities regardless of their source. When determining equivalency, therefore, benefits, services, and opportunities attained through private funds-including donations, fundraising, and booster clubs-must be considered in combination with all benefits, services, and opportunities.

Rules may be established to govern the activities of booster clubs and other related organizations. The Board further requires that:

- a) Financial records be maintained and made available, upon request, for Board and/or public inspection;
- b) Fund raising activities be approved in advance by the Superintendent or his/her designee; and
- c) Groups wishing to make a contribution adhere to the District's policy and regulations regarding the acceptance of gifts.

Violations to District policy may result in the dissolution of the club or organization.

Civil Rights Law Section 40-c Prohibits discrimination on the basis of race, creed, color, national origin, sex, marital status, sexual orientation or disability.
