KNIGHT INSIGHT

From The Desk of the Superintendent

Included in this issue of the Knight Insight is information on the educational program for our students and the proposed 2023-2024 school budget. Next year's proposed budget maintains all academic, athletic, co-curricular, and social-emotional student programs currently in place. In addition, it capitalizes on the last year of the federal stimulus funds to maximize the post-COVID academic and mental health support offered to all students.

The Board of Education has proposed a budget with a local tax levy increase of 1.87% which is below last year's increase of 1.90%. This proposed tax levy increase is, in part, because New York State has indicated a minimum increase of 3.00% in Foundation Aid for Tully CSD next year.

Included on the ballot in May are three other propositions in addition to the proposed budget. The first is a capital improvement project consisting of a gas tank/island replacement at the District bus garage. Our fuel tank is 25+ years old and is at the end of its life. In addition, the columns on the fuel island canopy are rusted beyond repair. Because the proposed project is matching debt schedules (old debt coming off and new debt going on), we can minimize the burden to our taxpayers.

Also included on the ballot is a proposition for student transportation. This includes the lease of three 66-passenger school buses, one 54-passenger wheelchair bus, and one 30-passenger bus. This is part of our annual vehicle and equipment replacement plan in each year's budget. Finally, the Tully Free Library tax will be Proposition IV.

All community members are invited and encouraged to attend this year's Public Budget Hearing on Monday, May 8, 2023, at 6:00 p.m. in the Junior-Senior High School. The Public Budget Hearing provides an excellent opportunity for community members to learn about the proposed budget and ask questions and/or provide feedback. We welcome all input from the community as we strive to develop a budget that reflects the needs and values of our district. We believe that this proposed budget will help us continue to provide our students with an excellent education.

As always, thank you for your continued support, and feel free to contact me directly should you have any questions.

Sincerely, Darcy Woodcock, Superintendent of Schools

SCHOOL BUDGET VOTE

MAY 16, 2023

Voting Hours 6:00 a.m. – 9:00 p.m.

Voting Location: Elementary School Gymnasium

Athletics News: Seeking Soccer Officials

Any teacher, parent, or student looking to earn a little extra money while enjoying a soccer game can contact Art Rienhardt at arthur.rienhardt@tullyschools.org for information on officiating this coming August. Training will be needed beforehand.

Tully Elementary Program Information

Tully Elementary School offers a comprehensive educational program in grades PK-6 to meet the academic, social/emotional, and behavioral needs of students. The English Language Arts curriculum contains a combination of programs, including Fountas & Pinnell Classroom and Heggerty. Teachers are also receiving additional training in the fundamentals of the "Science of Reading" and evidenced-based practices. Math instruction is aligned with the Next Generation Standards using the Investigations program. In social studies, teachers are implementing the C3 Framework and state standards along with integrating inquiry-based units. Science instruction is aligned with the New York State science learning standards and in-depth study using curriculum materials from the Smithsonian. In addition to the core subjects of ELA, math, science, and social studies, students also receive instruction in art, library, music, and physical education. Physical education is offered daily in grades k-4. Students with special needs receive services as indicated on their Individualized Education Program (IEP) and we provide ell services for students whose native language is not English.

New York State assessments occur in ELA and math for grades 3-6. Next year, NYS will begin testing in science at grade 5.

Our social-emotional learning and safety education program is conducted using the Positivity Project, Second Step, and classroom sessions facilitated by our social workers. Tully also has partnered with Helio Health to offer an on-site mental health clinic for students and families. We continue to employ a "middle school" model for 5th and 6th grade, and all classes incorporate the tenets of Responsive Classroom. Each student has access to their own Chromebook which provides access to a wealth of information and Google Classrooms, allowing students to truly learn from anywhere.

This year, we were able to add an agriculture course at grade 6 for all students. Our co-curricular clubs and activities continue to be very active. These include the Buddy Program, Art Club, Maker Club, Intramurals, Safety Patrol, Yearbook, Pens, Pencils, and More, Jazz Band, 3rd/4th Chorus, NYSSMA, and All-County. Our 5th/6th grade musical delighted audiences, and school spirit and community service were promoted through events like food drives, a 5th/6th dance, special clothing days, spirit weeks, and an author visit which was sponsored by our PTO.

Junior-Senior High Academic Program

At Tully Junior-Senior High School, we offer a college and career-ready curriculum that provides students with the required courses and optional electives for graduation. Students can challenge themselves by taking Advanced Placement courses in English, Statistics, Calculus, United States History, World History, Biology, Chemistry, and Physics, as well as honors courses in English and social studies. Our 8th graders have the opportunity to take accelerated courses in Living Environment and Algebra for high school credit. Several faculty members teach courses in Pre-Calculus, Business and Finance, Spanish, and English as part of our partnership with Onondaga Community College. We also have articulation agreements with SUNY Morrisville and SUNY Cobleskill for most of our agriculture courses. In order to provide our students with the best opportunities possible, new elective courses in English and social studies were introduced this year such as the 1980's, Public Speaking, Creative Writing, and Film. Support is provided to those in need through Academic Intervention Services (AIS) and special education. We also offer courses and CTE programs through partnerships with BOCES.

Students transition from the elementary school to 7th grade through a series of activities including an individual annual review with a junior high counselor, a "Welcome Day" on May 25th, and an orientation in August. Early in the school year, we host a curriculum night when parents can learn about courses and classroom expectations. Our junior high program includes flex classes that offer opportunities for enrichment, support, and project-based learning activities. Also in 7th and 8th grade, students take a variety of coursework in both career-technical education and the fine arts in addition to their core curriculum, offering the opportunity to have an understanding of the future elective options available in those subject areas. Beginning this year, our Spanish program begins in the 7th grade. Our school counseling program includes career education and exploration, academic review and support, classroom instruction, and individual counseling. Additionally, the junior high counselor provides social-emotional learning and prevention education through the Second Step Education Program for all junior high students. We also have a school social worker available for students at all grade levels to support their mental health and wellness.

Tully JSHS offers 33 extra-curricular activities for our students to participate. We are happy to offer 21 Varsity sports with many additional athletic opportunities at the Junior Varsity, Modified, and Junior High levels. At the junior-senior high school, we are proud to report that we have an 86% participation rate within the student body this year! At least 86% of our students participate in at least one extracurricular activity or sport!

Frequently Asked Questions

Is the district “tax cap compliant”?

Yes, the proposed tax levy (before exclusions) is at the tax levy limit. A simple majority (50 percent plus one) is needed for budget approval. Being tax cap compliant means Tully Central School District property taxpayers will still receive either the Basic or Enhanced STAR exemption or credit.

What does the property tax cap law mean for my tax bill?

It is important to remember that the tax cap law only determines how much voter support is needed to pass the budget. It does not impose a universal 2 percent cap – or any other specific amount – on taxes. It applies to the tax levy, not to tax rates or individual bills. Keep in mind, several factors dictate how an individual’s school tax bill is calculated after a school district sets the final tax levy—including changes in property values and equalization rates – none of which are within the district’s control. This calculation process did not change under New York’s property tax cap law.

What happens if the budget is not approved by voters?

If a proposed budget is defeated by voters, a school district has a couple of options: The school district could put the same budget up for a re-vote; the school district could decide to put a revised budget up for a vote; or, a school district could decide to adopt a contingent budget. If a proposed budget is defeated twice by voters, a school district must adopt a contingent budget. If a school adopts a contingent budget, some very specific items must be excluded, for example, funding for community use of the schools, certain types of specific salary increases, and new equipment purchases. Additionally, under our current “tax cap” legislation, a school district that adopts a contingent budget may not increase its current tax levy by any amount. This, in effect, translates into a zero percent tax increase.

PROPOSITION I

Shall the Board of Education of the Tully Central School District be authorized to expend the sum of Twenty-Three Million, Five Hundred Ninety-Five Thousand, Seventy-One Dollars (**\$23,595,071**) as General Fund appropriations for the school year 2023-2024 and levy the necessary tax therefor?

Special note: Included within this proposed budget, the district will use the established Repair Reserve for the following: An amount not to exceed \$56,000 to replace the Community Fitness Center floor and an amount not to exceed \$80,000 to repair the districtwide parking areas.

PROPOSITION II

Capital Improvement Project

Shall the Board of Education undertake a project consisting of a gas tank/island replacement project at and renovations to the District bus garage, including site improvements, original furnishings, fixtures and equipment, architectural fees, and all other costs incidental to such work (the “Project”) at a total estimated cost not to exceed \$825,000, and obtain the necessary funds by using any available State building aid, \$260,000 from the District’s Capital Reserve, and, to the extent necessary, the levy of a tax upon the taxable property of the School District to be collected in annual installments in the years and in the amounts as the Board of Education shall determine and in anticipation of such tax shall the School District be authorized to issue up to \$565,000 of obligations of the School District and levy a tax to pay the interest thereon when due?

PROPOSITION III

Student Transportation

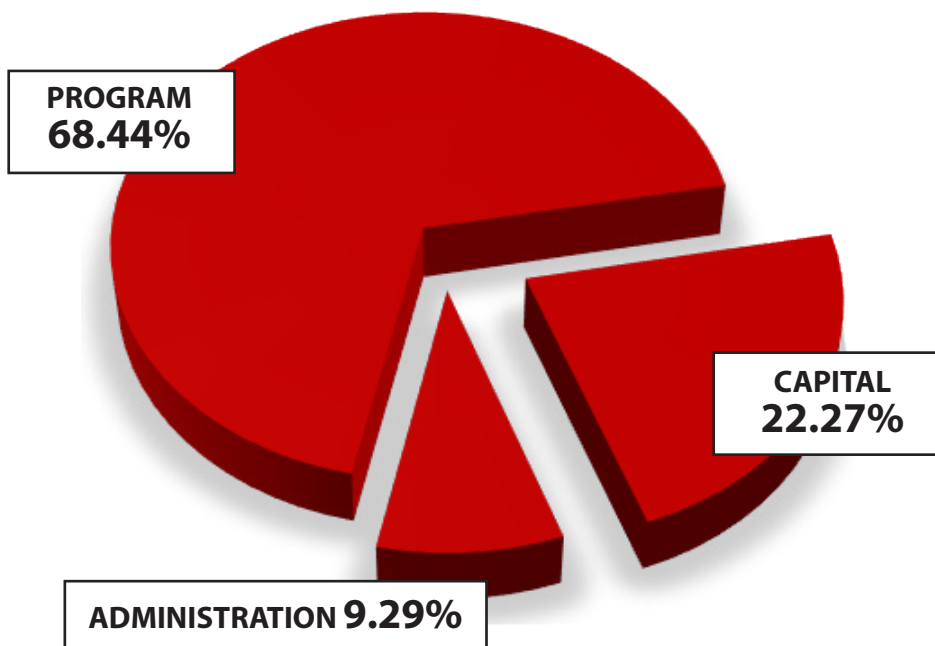

Shall the Board of Education lease, finance three (3) 66-passenger school buses, one (1) 54-passenger wheelchair accessible bus, and one (1) 30-passenger bus at an estimated cost not to exceed \$543,960, including necessary furnishings, fixtures and equipment, and all other necessary costs incidental thereto and to expend a total sum not to exceed \$543,960, which is estimated to be the total maximum cost thereof, and levy a tax which is hereby voted for the foregoing in the amount of \$543,960, which shall be levied and collected in annual installments in such years and in such amounts as may be determined by the Board of Education and in anticipation of the collection of such tax, issue a lease of the district at one time, or from time to time, in the lease amount not to exceed \$543,960 and levy a tax is hereby voted to pay the interest on such obligations when due?

PROPOSITION IV

Tully Free Library Tax

For the purpose of funding the Tully Free Library, shall the sum of Two Hundred Twenty-Two Thousand, Nine Hundred Forty-Four Dollars (\$222,944) be raised by annual levy of a tax upon the taxable real property within the Tully Central School District?

3-Part Comparison

Voting Ballot

On the voting ballot, in addition to the four propositions, you may also see the names of candidates running for a seat on the Board of Education. Specific candidate information was not available in time for this issue due to the submission deadline.

Please visit the district's website at tulyschools.org to see more information or call the District Office at (315) 696-6204.

BOE Elections

Before the voters there will also be the opportunity to elect two (2) members for seats on the Board of Education. These seats are for three (3) year terms starting July 1, 2023 and ending June 30, 2026. Nominating petitions were due in the district office by April 17, 2023. Candidate information may be found on our school district website.

BOE Meetings

Monday, May 8, 2023:

Annual Public Budget Hearing and BOE Meeting, at JSHS School Library at 6p.m.

Tuesday, May 16, 2023:

2023 Budget Vote, at Elementary School Gymnasium 6:00 a.m. – 9:00 p.m.

Tuesday, May 16, 2023:

BOE Meeting, at **TES Cafeteria** at 8p.m.

Monday, June 12, 2023:

BOE Meeting, at JSHS School Library at 6p.m.

Tuesday, July 11, 2023:

Reorganization/Regular Meeting, at JSHS School Library at 6p.m.

Voter Qualifications

In order to vote you must be:

- A United States citizen.
- At least 18 years of age.
- A resident of the school district for at least 30 days preceding the vote.

Storigami

Students were treated to a special visit from Christine Petrell Kallevig, an author who uses origami to tell her stories. Students enjoyed listening to Kallevig's interactive version of her very own book, *The Sun, the Moon, and the Origami Grammie*.

While leading them through the journey with her origami rooster, students sang repetitive lines in the book and Kallevig encouraged the students to help her finish pieces of the story. Students then got to try origami themselves while Kallevig walked them through the process. While students completed an easier piece of origami, Kallevig had many on display that ranged from easier pieces to more intricate pieces but explained to students that origami "makes sense" because it is logical and follows basic math rules. She explained to the students that she learned origami when she was an adult and that it is an art that anyone can pick up at any age. Not only did students leave with their own piece of origami and a book with fold-along stories, but a great sense of how we can turn something we love doing into a fun teaching opportunity, just like her storigami. Special thanks to the PTO for sponsoring this event!

Showing Support with Socks

World Down Syndrome Day is celebrated globally on March 21. This day on the third month of the year was chosen due to the 21st chromosome being triplicated which causes Down syndrome. Students and staff at the elementary school showed their support for World Down Syndrome Day with a crazy sock day. Colors and patterns of all varieties were worn in support of fellow students within and outside of the district. In addition, colored paper socks hung throughout the lobby. It was wonderful seeing our students and staff brightly displaying their support!

PTO News

Hello TES families! The PTO would like to thank you all for participating in the Read-A-Thon which is currently running throughout the month of May. As most of you know, this is our ONLY fundraiser that we do throughout the school year. Everyone's participation is greatly appreciated! TES PTO will be holding a BOGO book fair during the first full week of June. Come out to get some great deals!

TES PTO meetings are still being held virtually on the second Wednesday of the month, unless otherwise indicated. Our next meeting will be Wednesday, May 10, 2023. A link to the meeting will be sent out via ParentSquare and will be posted on our Facebook page. All parents of TES students are welcome to attend. We are a 501(c)(3) organization and gladly accept tax exempt donations. Please inquire if you wish to make a donation. Thank you for your continued support of the TES PTO.

KI
APPRECIATION

We have lots of staff to celebrate in May!

First, we want to thank not only our principals on **May 1st, School Principal's Day**, but all of our administrative team for the hard work they put in each and every day to make our schools productive and a great place to learn.

May 2nd is National Teacher Day, and we would like to send a shout out to all of our teachers that spend their time on campus and off campus making sure that our students get the best education possible.

We want to thank our cafeteria staff, not only on **May 5**, which is **School Lunch Hero Day**, but every day. They serve all of our students at one time or another and without nutritious meals, our students would not have the energy to learn.

And lastly but not least, a great big thanks to our nurses on **May 6th for National Nurses Day** for keeping our school community healthy. If you see any of these staff members, please tell them how much they are appreciated!

Teen Institute Chooses Iozzo to be Youth Staff Member

Teen Institute is a student-led club that promotes a healthy lifestyle and a drug free school community. Here at Tully, we are considered a "legacy school" as Tully was one of the original schools to participate in the Teen Institute program through Prevention Network.

Elaina Iozzo has been a member of the Tully Teen Institute for two years now and attended the annual Teen Institute conference this past November at Camp of the Woods; a four-day conference where students learn about themselves and gain leadership skills. There, she "felt myself grow as a person and watched the people around me grow. I wanted to go back and help others have the same experience." So Elaina did just that – she applied to become a youth staff member for the Teen Institute conference. After applying, she went through a rigorous interview process and was then selected by the head of Teen Institute and other adult members to return to the conference as a youth staff member. She will train for the position this summer and be actively involved in the planning and implementation process of the annual conference this coming fall. This is an awesome responsibility as only a handful of past Tully students have become youth staff. Tully congratulates Elaina on this well-deserved accomplishment and know she will represent Tully well!

2023 Presents Academic Top Ten

Each year, seniors are given their academic rank designation. These students are those that work tirelessly to achieve the highest of standards in their classroom education. Tully JSHS is proud to present this year's Top Ten beginning with the valedictorian, Alexa Shay. Alexa has split her time between athletics and academics and excels in both. She is an active member of not only the National Honor Society but the Spanish National Honor Society. In addition, she is a part of the Teen Institute. Alexa excelled quickly in sports at the JSHS, starting on varsity teams her freshman year. Alexa is a force to contend with on the track, field, and court, and is a worthy opponent to those she comes up against. Academically, she focuses on her college courses in Spanish and math and enjoys time in art classes. Alexa is well-rounded both academically and athletically, and we wish to congratulate her on this wonderful achievement!

Kaitlyn Edinger has also taken advantage of her academic options to secure her spot as salutatorian. Kaitlyn has excelled at leadership skills and is an active member of the National Honor Society, the Spanish National Honor Society, Teen Institute, and the Daneli Leadership Program. She quickly excelled in the running world, joining the varsity teams of cross country, indoor track, and outdoor track early on at the JSHS and earning many titles throughout her running career. Kaitlyn academically excels in her college and AP classes, leaving little down-time in her schedule. Kaitlyn is also well-rounded both academically and athletically, and we wish to congratulate her on this outstanding achievement!

All students on the Top Ten list engage in a wide variety of activities including sports, Student Council, volunteer programs, and school clubs. They have all worked tremendously hard for their accomplishments and deserve the highest of praise. We wish every one of these students much success in their forthcoming educational and career aspirations!

Valedictorian - Alexa Shay; Salutatorian - Kaitlyn Edinger;
3rd - Amberle Brown; 4th - Veronica Kowalewski;
5th - Daniel Foody; 6th - Ryan Mize; 7th - Everett Chambala;
8th - Daniel Mech; 9th - Colden Ives; 10th - Braden Switzer

CONGRATULATIONS!

Winter Wellness

Music, mental health resources, and mid-morning snacks were offered at the beginning of the Winter Wellness Day held at the Junior-Senior High School and the wellness didn't stop there. Throughout the day, many teachers held wellness activities that pertained to their field of study. In English classes they wrote wellness sonnets, played Mad Libs, wrote postcards to loved ones, and had free reading. In science classes, games were played and jumping jacks were done while counting in Japanese.

In health-related classes, play dough was made, stress stations were available, and meditation and heart health were discussed. Art classes had opportunities to "throw clay," and in one history class, a virtual museum visit was in order. During lunches, students could play Jenga, participate in a 3-point Hoop Shoot, or jam out with Mr. Paccia. Students enjoyed the different activities while learning and taking their wellness into consideration.

It was a great day and left many looking forward to Wellness Day in the spring.

Trivia Night News

The annual tradition of Trivia Night sponsored by the Senior High Student Council was once again successful, bringing in over fifty students to test their knowledge of being smarter than a fifth grader. Eleven teams battled it out for a gift basket and bragging rights. Before Trivia Night took place, Mrs. Bovi had some fun trivia broadcast over morning announcements.

In the end, the "12 Bunnies," consisting of six juniors, took the prize home.

Senior Spotlight - AMBERLE BROWN**People/Pets in your family:**

Lydia (mom), Tom (dad), Aidan (brother), Charlie (dog), Grey (cat), Chester (guinea pig)

What has been the best part of your high school career and why? Having the chance to get to know my classmates, as well as students from different grade levels because each individual I met during high school had a unique personality. Also, going

to Quebec in 8th grade with my class because that was the best experience I've ever had.

What is your proudest moment in high school so far? Winning Sectionals for both volleyball and track in my junior year.

What are your plans after high school? I hope to go to Texas to study zoology or marine biology.

Where do you see yourself in ten years? In 10 years, I see myself researching ways to better the environment (specifically maybe the ocean) and saving the animals that live in it.

If you could invite two or three people to dinner, who would they be, and what would you talk about? I would invite my family because family is the most important thing.

Senior Spotlight - MAX SELMSER**People/Pets in your family:**

Kathy Selms (mom), Eric Selms (dad), and Ethan Selms (brother)

What has been the best part of your high school career and why? The best part of my high school career has easily been the opportunity to form meaningful relationships with other students.

What have you learned from the activities you have participated in at school? One of the

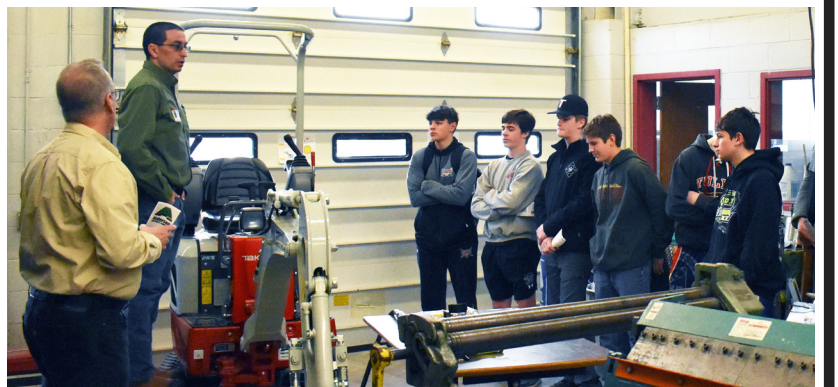

most important lessons I have learned through my school activities is that sticking to deadlines matters. Although this lesson may seem obvious to the average person, I think that a lot of people underestimate the importance of staying on top of assignments. You can create the most well-crafted presentation or write the greatest story ever told, but that blood, sweat, and tears won't matter if you can't stick to a deadline.

What are your plans after high school? It's hard to know exactly where I'd like to be following high school as my interests and desires are constantly changing. For the time being, however, I plan on pursuing a degree in finance and hopefully down the line work in venture capital.

What challenges have you faced and how have you overcome them? The biggest challenge that I have faced is living with type 1 diabetes. Although I'm still dealing with this disease, I have learned over the past 10 years how to adjust to this lifestyle and use what I have learned to help others. Diabetes has not only helped me to live a healthier lifestyle; but also, allowed me to be a more compassionate and empathetic person.

Ag Mechanics Class Welcomes Guest Speakers

The Ag Mechanics class welcomed a few guest speakers from Anderson Equipment Company for a short presentation during the month of March. The presenters brought an excavator for the presentation and spoke about what the company does. In addition, they spoke about job shadowing, work study, internship programs, and apprenticeships. They encouraged students to find what they were passionate about and to go for it, letting them know that job opportunities were out there for students just starting out and who wanted real-world experience. Thanks to Mr. Paccia and Ms. Currie for creating this opportunity for our Ag Mechanic students!

Article Submission Guidelines

To submit an article, email articles to Sherry Huggins at sherry.huggins@tullyschools.org. If you have any questions, please call (315) 696-6236.

Please email articles in Word format whenever possible. Do not capitalize all the words in the article. Do not insert or embed a picture within the actual Word article. Pictures should be emailed in JPG format at 300 dpi.

Material is subject to editing. The district has the final decision whether or not to publish an article.

2023 SOUTHERN HILLS STORM YOUTH FOOTBALL & CHEER

FABIUS-POMPEY * LAFAYETTE * TULLY

REGISTER ONLINE NOW AT: www.storm1stand10.com

Season begins in August

CHEER FEES:

Grade	Team	Before June 1	June 1 – Nov. 1
K-2 (must turn 5 before 12/1/2023)	Flag Football Cheer	*\$70	*\$85
3-4	C Cheer	*\$70	*\$85
5-6	B Cheer	*\$70	*\$85
7-8 (cannot turn 15 prior to 12/1/2023)	B Cheer	*\$70	*\$85

DEADLINE TO REGISTER FOR CHEER: JULY 16, 2023

FOOTBALL FEES:

Grade	Team	Before June 1	June 1 – Nov. 1
K-2 (must turn 5 before 12/1/2023)	Flag Football	*\$40	*\$50
3-4	C Football (Tackle)	*\$90	*\$120
5-6 (cannot turn 13 before 12/1/2023)	B Football (Tackle)	*\$90	*\$120

*There will be a \$40 fee added to the registration costs listed above. Registrants are given an opportunity to earn that \$40 back by selling the two raffle tickets given to you (\$20 each). You may sell those two tickets and return the stubs for entry in the drawing, or simply elect to enter yourself into the drawing.

The \$40 fee for your raffle tickets is NOT included in prices shown above.

- Grades for registration are as of **FALL 2023**
- Partial payments option available
- For scholarships and all other questions, please call: 315-575-0728

SOUTHERN HILLS
STORM

Sponsored by STORM 1st and 10 Club

Open Monday - Friday from 10 AM - 7 PM • Saturdays 10 AM - 2 PM • Closed Sundays

Tully Free Library

12 State Street • tullyfreelibrary.org 315-696-8606

The library will be **closed on Friday, May 12th** for a Staff Development Day. Online resources are always available through our website.

Our **Full Steam Ahead** students spent this season learning about our community and the environment. Be sure to attend our FSA Open House on Wednesday, May 17th at 5:00 PM. You'll get to see examples of what they've been working on!

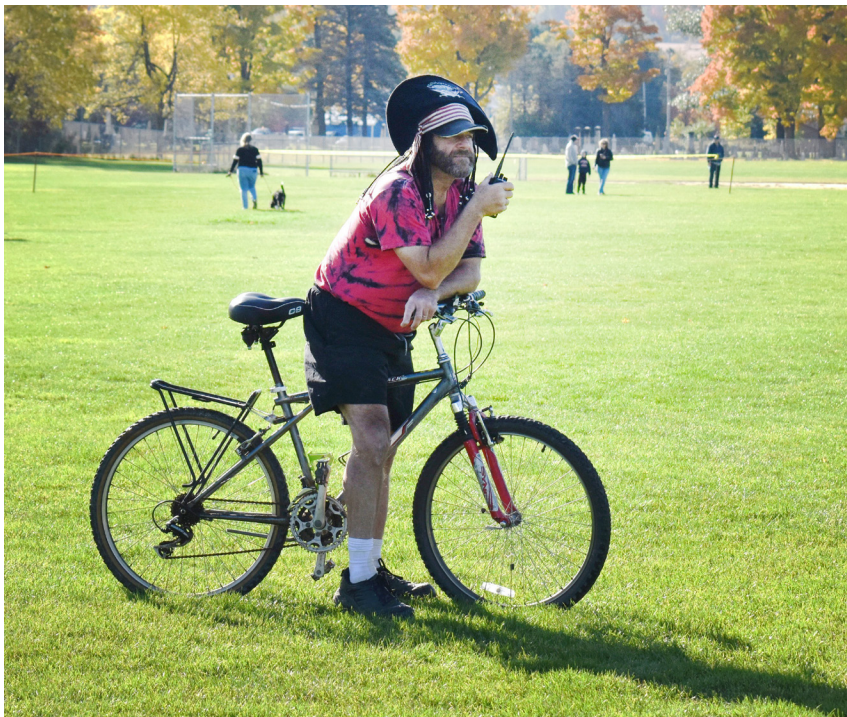

Visit with a Therapy Dog continues on the second Wednesday of the month at 3 PM. We are looking into providing more visiting times during Regents exam week in June for any student who needs to de-stress during exams. Please see our website for dates and times.

Summer Reading registration begins Monday, June 12th! We have lots of activities and programs planned for kids, teens, and adults, including arts and crafts, history, music, and dance, all in celebration of this year's theme, "All Together Now."

We look forward to seeing you this summer at the library!

Parks and Rec

Mark your Calendars! The annual Tully Moo Run will be on Saturday, June 17th

This year we are dedicating our race to Jim Paccia who has been, and still is, an integral part of our Tully running community. Mr. Paccia will be retiring from his fortieth-year teaching career here in Tully; but don't worry, he will still be out there coaching our runners after he retires!

We will be hosting our Moo Run this year at the Town of Tully fields and running the cross-country course. We will also have a kids' Fun Run as an additional run for the Tully track camp participants. We encourage locals and alumni to come out and run/walk in honor of Jim Paccia.

You can register for the Moo Run on Active.com - Town of Tully.

Health and Safety Reminders

Please be aware that with nicer temperatures and lots of outdoor activities on campus, more movement on campus is expected. Please drive carefully and cautiously while watching for pedestrians.

The speed on campus is 15mph at all times.

If you are planning on visiting our campus for any school function, please make sure to bring your ID with you so we can check you in with our security system.

It is highly recommended to parents that all students being dropped off are let out of the vehicle curbside only.
