Tully Central School District

Scott Haynes

I have called this community home for a long time, and my commitment to the **Tully Central School District** is rooted in the deep respect I have for our students, our staff, and my fellow neighbors.

As a current member of the Board of Education, I've seen firsthand the incredible potential within our hallways, and I am eager to continue putting in the work to see our district flourish. I believe that a successful school district is built on a foundation of transparency and clear communication. I am incredibly proud of the progress we've made, but I know there is always more work to be done. I am looking forward to continuing my service on the board, maintaining the fiscal responsibility and academic excellence that our community deserves.
