June 1, 2022

Dear Tully School Community,

As of June 30, 2022 I will be stepping down from my role as Tully Schools Superintendent. In order to facilitate a smooth transition to the next Superintendent I will be staying on in the role of Deputy Superintendent for a while, and I plan on retiring at the end of this upcoming November. Within the next month, the Board of Education anticipates appointing an Interim Superintendent and then in July plans on beginning a search process to find my permanent replacement.

Thank you to the Tully Community for giving me the opportunity to serve as your Superintendent of Schools these past eight years. I am proud of our students' many accomplishments over the years, and the efforts they have put into these accomplishments. I am proud of the work that our faculty, staff and administration have done to support our students, and to help them learn and grow.

We have wonderful students and supportive families here at Tully Schools. We have an excellent faculty, staff and administration. Going forward I am confident that our students will continue to do great things and that our faculty, staff and administration will continue to provide amazing opportunities for our students.

Sincerely,

Robert J. Hughes
