November 18, 2022

Dear Parent/Guardian:

Today, November 18, 2022, we received a report that one of our JSHS students had made some comments that could be perceived as a school threat. Our threat assessment team, consisting of our School Resource Officer, a guidance counselor, our School Psychologist, and our JSHS Director of Instructional Support Services, immediately conducted an investigation into this situation. We also involved the New York State Police in the interview process. As is our procedure, parents were contacted, as well. At this time, it has been determined by law enforcement that there is no credible threat.

We commend the students who reported this incident and appreciate their willingness to bring the information to an adult. As a school district, the safety and security of students and staff is our top priority. We will continue to work collaboratively with parents and local law enforcement in this matter.

If you have any questions or concerns regarding this matter, please call me at 315-696-6204.

Sincerely,

Michael J. Hoose,
Interim Superintendent of Schools
